8. WHO IS ENTITLED TO SUBMIT SLATES OF CANDIDATES FOR THE OFFICE OF DIRECTOR AND/OR STATUTORY AUDITOR?

Pursuant to the Consob Executive Determination No. 155 of 27 January 2026, Shareholders who, at the time of submission of the slate, hold – alone or together with other shareholders – ordinary shares representing at least 1% of the share capital represented by shares with voting rights in the Ordinary Shareholders' Meeting, are entitled to submit slates.

Each shareholder, as well as (i) shareholders belonging to the same group, by which is meant the controlling entity, including non-corporate, pursuant to Article 2359 of the Italian Civil Code and Article 93 of the TUF and any company controlled by, or under the common control of, the same entity, or (ii) shareholders who are members of the same shareholders' agreement relevant pursuant to Article 122 of the TUF, or (iii) shareholders who are otherwise related to each other by virtue of relevant relationships pursuant to the laws and/or regulations in force from time to time and applicable, may submit or concur in the submission of only one slate, under penalty of inadmissibility of the slate.

9. BY WHAT DEADLINE AND IN WHAT MANNER MUST THE SLATES OF CANDIDATES FOR THE OFFICE OF DIRECTOR BE SUBMITTED?

The slates of candidates (signed by the Shareholders submitting them), accompanied by the documentation required by law and by the Articles of Association, must be submitted by the Shareholder(s) **by 25 days prior to the date set for the Shareholders' Meeting** (i.e. by **26 March 2026**) in one of the following ways:

- transmission by certified e-mail to assemblealottomatica@legalmail.it **by 11.59 p.m. of 26 March 2026**, together with a copy of a valid identity card of the shareholders' who submitted them; or, alternatively,
- by hand delivery to the Company's registered office in Rome, Via degli Aldobrandeschi 300, by 6.00 p.m. of **26 March 2026**.

The **certification showing the ownership**, at the time of filing of the slate with the Company, of the minimum shareholding required for the submission of slates must be submitted together with the filing of the slates or, in any case, within the deadline set for the publication of the slates by the Company, i.e., **at least 21 days** before the date set for the Shareholders' Meeting in a single call (i.e., by **30 March 2026**).

The following shall be filed together with the slates: (a) the information relating to the identity of the shareholders who submitted the slate, indicating the percentage of the overall shareholding held, without prejudice to the fact that the certification evidencing ownership of such shareholding may also be provided after the filing of the slates, provided that it is submitted within the deadline set for the publication of the slates by the Company; (b) a declaration by shareholders who have presented the slates other than those holding, individually or jointly, a controlling stake or a relative majority stake, certifying the absence of any connection, even indirectly, with the latter in accordance with the Articles of Association, the laws and regulations in force at the time (e.g., considering the Consob Communication DEM/9017893 dated 26 February 2009); (c) comprehensive information on the personal and professional characteristics of the candidates, including, where applicable, an indication of their eligibility to qualify as independent directors pursuant to the applicable laws and regulations in force from time to time, as well as a statement by the same candidates certifying that they meet the requirements set forth by the applicable laws and regulations in force from time to time and by the Articles of Association, including requirements of integrity and, where applicable, independence; (d) a statement whereby each candidate accepts his or her candidacy (necessarily accompanied by a statement issued pursuant to Article 2383, first paragraph, of the Italian Civil Code, also indicating the election of an electronic domicile in accordance with the applicable laws); (e) any other additional or different statement, information and/or document required by the applicable laws and regulations in force from time to time.

If the obligations under Article 13 of the Articles of Association as mentioned above are not fulfilled, the slate shall be deemed to not have been submitted.

10. BY WHAT DEADLINE AND IN WHAT MANNER MUST THE SLATES OF CANDIDATES FOR THE OFFICE OF STATUTORY AUDITOR BE SUBMITTED?

The slates of candidates (signed by the Shareholders submitting them), together with the documentation required by law and the Articles of Association, must be submitted by the Shareholder(s) **by 25 days prior to the date set for the Shareholders' Meeting** (i.e., by **26 March 2026**), by one of the following methods:

- **transmission by certified email** to assemblealottomatica@legalmail.it **by 11:59 p.m. of 26 March 2026**, together with a copy of a valid identity document of the shareholders who submitted such slate; or, alternatively,
- **by hand delivery** at the Company's registered office in Rome, Via degli Aldobrandeschi 300, **by 6:00 p.m. of 26 March 2026**.

The certification proving the ownership, at the time of filing of the slate with the Company, of the minimum shareholding required for the submission of slates must be produced together with the filing of the slates or, in any case, within the different deadline set by the legislation for the publication of the slates by the Company, *i.e.*, **at least 21 days before the date set for the Shareholders' Meeting in single call** (i.e., by **30 March 2026**).

Together with each slate, the following shall be filed: (a) information concerning the identity of the shareholders who have submitted the slates, indicating the percentage of the overall shareholding held, it being understood that the certification evidencing ownership of such shareholding may also be submitted after the filing of the slates, provided that it is submitted within the deadline set for the publication of the slates by the Company; (b) a statement by the shareholders who have submitted the slates, other than those who hold, including jointly, a controlling interest or a relative majority interest, certifying the absence of any relationships of connection, including indirect relationships, pursuant to the Articles of Association and the applicable laws and regulations in force from time to time (e.g., taking into account Consob Communication DEM/9017893 of 26 February 2009), with such shareholders; (c) comprehensive information on the personal and professional characteristics of the candidates, indicating the offices of administration and control held in other companies, as well as a statement by the same candidates certifying that they meet the requirements, including those relating to integrity, professionalism, independence and the accumulation of offices, provided for by the applicable laws and regulations in force from time to time and by the Articles of Association (also for the purposes of Article 2400 of the Italian Civil Code); (d) the statement whereby each candidate accepts his or her candidacy; (e) any other additional or different statement, information and/or document required by the applicable laws and regulations in force from time to time.

The slate for which the above provisions are not complied with shall be considered as not submitted.

In the event that only one slate, or only slates submitted by shareholders who, from the declarations made pursuant to Article 24.7, letter (b) of the Articles of Association, are related to each other pursuant to Article 144-*quinquies*, first paragraph, of the Issuers' Regulation, have been filed by the expiration date of the deadline for the submission of slates (**26 March 2026**), the deadline for the submission of the slates shall be extended until the third calendar day following such date.

Specifically, slates may be submitted by one of the following methods:

- **transmission by certified email** to assemblealottomatica@legalmail.it **by 11:59 p.m. of 29 March 2026**, together with a copy of a valid identity document of the shareholders who submitted such slate; or, alternatively,
- **by hand delivery** at the Company's registered office in Rome, Via degli Aldobrandeschi 300, **by 6:00 p.m. of 29 March 2026**.

In this case, the percentage of share capital required for the submission of the slate is reduced by half (i.e., 0.5% of the share capital represented by shares entitled to vote at the Ordinary Shareholders' Meeting).

11. WITHIN WHAT DEADLINE WILL THE SUBMITTED LISTS BE MADE AVAILABLE TO THE PUBLIC?

Slates shall be made available to the public by the Company **21 days before the date set for the Shareholders' Meeting** in a single call (i.e., **30 March 2026**), together with the documentation filed therewith, at the registered office in Rome, Via degli Aldobrandeschi 300, on the centralized storage mechanism authorized by Consob called "1Info" - available at

www.1info.it, as well as on the Company's website www.lottomaticagroup.com ("Governance - Shareholders' Meeting" Section).

12. WHERE CAN I FIND INFORMATION ON THE REMUNERATION POLICY AND COMPENSATION PAID?

The Report on the remuneration policy and compensation paid is made available to the public, at least 21 days before the date set for the Shareholders' Meeting, at the Company's registered office, on the Company's website www.lottomaticagroup.com ("Governance - Shareholders' Meeting" Section) and on the authorised storage mechanism 1info www.1info.it.

13. WHERE CAN I FIND INFORMATION ON THE FIRST ITEM ON THE AGENDA OF THE EXTRAORDINARY SESSION OF THE SHAREHOLDERS' MEETING?

Information on the first item on the agenda of the extraordinary session of the Shareholders' Meeting can be found in the illustrative report on the items on the agenda drafted by the Company pursuant to Article 125-ter TUF and made available to the public (see question no. 5).

14. IS IT POSSIBLE TO REQUEST AN ADDITION TO THE AGENDA OR TO SUBMIT ADDITIONAL RESOLUTION PROPOSALS ON ITEMS ALREADY ON THE AGENDA?

Yes. Pursuant to Article 126-bis TUF, Shareholders who, also jointly, represent at least one fortieth of the Company's share capital may request, within 10 days of the publication of the notice of call of the Shareholders' Meeting (*i.e.*, by **21 March 2026**), the supplementation of the list of items on the agenda, indicating in the request the additional items proposed, or submit additional resolution proposals on items already on the agenda.

Additions to the agenda are not permitted for items on which the Shareholders' Meeting votes, in accordance with the law, on the proposal of the Board of Directors or based on a draft (e.g. financial statements) or a report prepared by the Board of Directors, other than on items on the agenda.

Requests, together with the statement from the authorized intermediary certifying ownership of the shareholding, must be submitted in writing, including by registered mail or electronically, in accordance with the procedures indicated in the notice of call.

By the deadline for submitting the request for additions (*i.e.*, **21 March 2026**), the requesting or proposing Shareholders shall submit a report to the Board of Directors stating the reasons for the request for addition or resolution proposal.

At least 15 days before the date set for the Shareholders' Meeting (*i.e.*, no later than **3 April 2026**, which represents the last working day preceding the expiry of the deadline, *i.e.* 5 Aprile 2026, as the latter falls on public holiday), the Board of Directors shall then make the report accompanied by its own evaluations, if any, available to the public, at the same time as it publishes the notice of additions to the agenda or further resolution proposals on items already on the agenda, in the same manner as the documents relating to the Shareholders' Meeting.

Since attendance at the Shareholders' Meeting and the exercise of voting rights may only take place through the **Designated Representative**, the Company – in order to allow the attendees of the Shareholders' Meeting to exercise the right set forth in Article 126-bis, paragraph 1, third sentence, TUF, and therefore to submit individual resolution proposals on items on the agenda – provides that those entitled to attend the Shareholders' Meeting and to vote may submit individual resolution proposals on items already on the agenda by **5 April 2026**, undertaking to publish them, in order to allow the proposals referred to in this paragraph to be known by all those entitled to attend the Shareholders' Meeting and exercise their voting right in time to provide voting instructions to the Designated Representative. Entitlement to individual submission of resolution proposals is subject to the Company's receipt of the statement required by Article 83-sexies of the TUF.

Any resolution proposals received will be made available to the public on the Company's website (www.lottomaticagroup.com, "Governance - Shareholders' Meeting" Section) no later than **7 April 2026**, so that those entitled to vote can view them for the purpose of granting proxies and/or sub-proxies, with related voting instructions, to the Designated Representative Computershare S.p.A.

15. WHY DID THE COMPANY DECIDE TO CONDUCT THE SHAREHOLDERS' MEETING THROUGH THE DESIGNATED REPRESENTATIVE?

The Company – in the light of the intervening extension of the effectiveness of Article 106 of *Cura Italia* Decree, implemented by Article 4, paragraph 11, of Law Decree of 31 December 2025, No. 200, converted with amendments into Law of 27 February 2026, No. 26 (the so-called *Milleproroghe*) and conforming to the widespread practice among

Italian issuers – has decided to avail itself of the possibility of holding the Shareholders' Meeting through the Designated Representative, in the light of the positive application experience of previous Shareholders' Meetings and the efficiency and simplifications connected to such system. Please also note that conducting the Shareholders' Meeting envisaged by the aforementioned Article 106 of *Cura Italia* Decree, compliant with the indications provided by Consob in its Communication No. 3 of 10 April 2020, also allows shareholders to exercise the fundamental prerogatives pertaining to the generality of shareholders, including the rights that can normally be exercised in the course of the Shareholders' Meeting, such as the possibility of individually submitting resolution proposals or questions on the items on the agenda, thus preserving the corporate dialectic.

16. WHO CAN TAKE PART AND VOTE IN THE SHAREHOLDERS' MEETING AND WHAT DO I HAVE TO DO?

Participation in the Shareholders' Meeting and the exercise of voting rights may only take place through the Designated Representative. Those entitled to vote who intends to participate in the Shareholders' Meeting must be represented by proxy granted to the Designated Representative identified by the Company in Computershare S.p.A. with registered office in Milan, Via Lorenzo Mascheroni 19 - 20145.

Pursuant to Article 83-sexies TUF, the entitlement to take part to the Shareholders' Meeting and to exercise voting rights is subject to the receipt by the Company of the statement issued by an authorized intermediary pursuant to the regulations in force, certifying the ownership of voting rights on the basis of the evidence of its accounting records relating to the Record Date (i.e., **9 April 2026**).

The statement must be received by the Company by the end of the third trading day prior to the date set for the Shareholders' Meeting in single call (i.e., **15 April 2026**). The entitlement to attend and vote remains unaffected if the notice is received by the Company even after the aforesaid deadline, provided that it is received within the Shareholders' Meeting, and without prejudice to the right to attend and vote at the Shareholders' Meeting being exercisable exclusively through the Designated Representative.

Credit and debit entries made to accounts after the Record Date are not relevant for the purposes of entitlement to exercise voting rights. Consequently, those who become owners of the Shares only after that date will not be entitled to take part to the meeting and exercise their voting rights.

The proxy to the Designated Representative shall contain voting instructions on all or some of the proposals on the agenda and will be effective only for proposals in relation to which voting instructions have been conferred.

The proxy must be issued by the end of the second trading day prior to the date set for the Shareholders' Meeting in single call (i.e., **by 16 April 2026**).

In this regard, the downloadable form available on the website (www.lottomaticagroup.com, "Governance - Shareholders' Meeting" Section) can be used and can be sent to Computershare S.p.A. to the certified e-mail address ufficioroma@pecserviziitolitoli.it within the terms indicated above and in the manner indicated in the specific "Instructions for filling in and submitting the form" referred to in the aforementioned form.

Please also note that, as envisaged by Article 135-undecies.1 TUF, the Designated Representative may also be granted proxies or sub-proxies pursuant to Article 135-novies TUF as an exception to Article 135-undecies, paragraph 4, TUF, by executing the form available on the Company's website (www.lottomaticagroup.com, "Governance - Shareholders' Meeting" Section) according to the terms and conditions indicated on the form.

Proxies and voting instructions are revocable in the same manner and within the same time limits set for their submission.

There are no procedures for voting by mail or electronic means.

The granting of a proxy/sub-proxy pursuant to Articles 135-novies and 135-undecies TUF does not entail any expenses for the Shareholder, except for those of transmission or mailing.

17. DID THE NOTICE OF CALL OF THE SHAREHOLDERS' MEETING PUBLISHED ON THE WEBSITE INCLUDE A DEADLINE FOR THE SUBMISSION OF QUESTIONS BEFORE THE SHAREHOLDERS' MEETING?

Yes. Questions must be received by the Company no later than the seventh trading day prior to the date of the Shareholders' Meeting on single call (and, therefore, no later than **9 April 2026**), pursuant to Article 127-ter TUF, together with the applicant's personal data (surname and first name, place and date of birth, tax code or, in the case of an entity or company, all identifying data) and the statement certifying ownership of the Shares on the Record Date. Such ownership may also be attested later, provided that it is attested by the third day following the Record Date. Applications should be sent to the certified e-mail address assemblealottomatica@legalmail.it.

18. WILL ANY QUESTIONS SUBMITTED AFTER THE DEADLINE INDICATED IN THE NOTICE OF CALL BE ANSWERED?

The notice of call indicates the deadline by which the questions must be received by the Company. This means that only questions received by the Company by the deadline indicated in the notice of call (i.e., **9 April 2026**) will be considered. Only to such questions the Company, pursuant to the aforementioned Article 127-ter TUF, is required to provide an

answer.

On the contrary, the Company shall not be required to answer any questions received after the aforementioned deadline.

19. HOW ARE QUESTIONS SUBMITTED WITHIN THE DEADLINE INDICATED IN THE NOTICE OF CALL ANSWERED BEFORE THE SHAREHOLDERS' MEETING?

In order to allow those entitled to vote to cast their votes through the Designated Representative, the answers to the questions submitted by Shareholders prior to the Shareholders' Meeting (which must be received by the seventh trading day prior to the date of the Shareholders' Meeting and therefore no later than **9 April 2026**) will be provided by the Company at least three days prior to the actual holding of the Shareholders' Meeting (*i.e.*, by **16 April 2026**) by means of publication on the Company's website (www.lottomaticagroup.com, "Governance - Shareholders' Meeting" Section).

20. WILL THE MINUTES OF THE SHAREHOLDERS' MEETING BE MADE AVAILABLE ON THE WEB?

Yes. The minutes of the Shareholders' Meeting will be made available on the Company's website ("Governance - Shareholders' Meeting" Section), within 30 days from the date of the Shareholders' Meeting.

In addition, within 5 days of the date of the Shareholders' Meeting, a summary statement of the voting will be made available on the Company's website containing: (i) the number of Shares represented at the Shareholders' Meeting and for which a vote was cast on each item on the agenda; (ii) the percentage of capital that these Shares represent; and (iii) the percentage of votes in favour, against and abstentions in relation to each resolution.

21. CAN YOU PLEASE PROVIDE FURTHER DISCLOSURE ON THE PROPOSED REMUNERATION OF THE CFO AND DEPUTY CEO, AND THE MANAGING DIRECTOR DIGITAL AND BETTING FOR 2026?

The remuneration of the CFO and Deputy CEO comprises a fixed remuneration of €800,000. With regards to the STI scorecard, the KPIs include: i) Group EBITDA (45%), ii) Group Net Financial Debt (30%), iii) ESG KPIs (15%) same as the ones of the Chairman and CEO, and iv) individual KPIs (10%) including certain activities related to the Tax Control Framework and the achievement of certain Credit Risk indicators.

The remuneration of the Managing Director Digital and Betting comprises a fixed remuneration of €454,400. With regards to the STI scorecard, the KPIs include: i) Group EBITDA (20%), ii) Group Net Financial Debt (10%), iii) ESG KPIs (15%) same as the ones of the Chairman and CEO, and iv) individual KPIs (55%) including Online and Sports Franchise EBITDA and market shares in Online and Sports Retail.

22. THE INFORMATIVE DOCUMENT RELATING TO THE LTI PLAN 2026-2028 PROVIDES, UNDER PARAGRAPH 4.23, FOR THE POSSIBILITY TO MAKE AMENDMENTS TO THE PLAN, THE RELATED REGULATION AND THE ASSOCIATE DOCUMENTS IN THE EVENT OF EXTRAORDINARY AND/OR UNFORESEEABLE EVENTS, TRANSACTIONS OR CIRCUMSTANCES CONCERNING LOTTOMATICA OR THE GROUP. THE REPORT OF THE BOARD OF DIRECTORS TO THE SHAREHOLDERS' MEETING ON ITEM 6 OF THE AGENDA, ON THE OTHER HAND, EXCLUSIVELY PROVIDES FOR THE GRANTING TO THE BOARD OF DIRECTORS OF THE POWERS NECESSARY OR APPROPRIATE FOR THE FULL AND EFFECTIVE IMPLEMENTATION OF THE PLAN, INCLUDING, TO THE EXTENT OF ITS COMPETENCE, THE DETERMINATION OF TERMS AND CONDITIONS FOR ITS EXECUTION AND THE APPROVAL OF THE RELEVANT REGULATION, WITHOUT GRANTING ANY DISCRETIONARY POWER TO AMEND ESSENTIAL ELEMENTS SUCH AS THE NUMBER OF OPTIONS, VESTING PERIODS, PERFORMANCE TARGETS OR THE EXERCISE PRICE. THE TWO PROVISIONS THEREFORE APPEAR NOT TO BE FULLY CONSISTENT. WHICH PROVISION PREVAILS?

With reference to paragraph 4.23 of the Informative Document, the Nomination and Remuneration Committee, in order to avoid potential interpretative uncertainties between the Informative Document and the Report of the Board of Directors to the Shareholders' Meeting on item 6 of the agenda, clarified, at its meeting held on 4 April 2026, that the provisions set out in the resolution proposal to the Shareholders contained in the Report of the Board of Directors on the items on the agenda to the Shareholders' Meeting shall prevail. Accordingly, the Board of Directors and the relevant delegated bodies are vested solely with powers of implementation of the Plan, to the exclusion of any amendment powers except as necessary to comply with the law or to implement technical adjustments, as a result of determinations by the competent authorities, for the purposes of implementing and managing the Plan.

It is therefore deemed that any discretion of the Board of Directors to amend the terms of the Plan is excluded.

As established by the Nomination and Remuneration Committee, the Board of Directors will be called, at the first available opportunity, to resolve upon the adoption of the Regulation that will not include provisions granting the Board of Directors any discretion to amend the Plan or its essential elements.

This approach is intended to ensure consistency between the documentation submitted to the Shareholders' Meeting and the subsequent implementation of the Plan, as well as the highest level of transparency and predictability *vis-à-vis* the market and stakeholders.
