LOTTOMATICA

LOTTOMATICA GROUP S.P.A.

LOTTOMATICA TARGETS C. €200M TO €300M OF INCREMENTAL ONLINE EBITDA, RUN RATE BY THE THIRD YEAR FROM CLOSING.

ADDITIONAL INFORMATION ON SPAIN AND REST OF WORLD MARKETS MADE AVAILABLE TO INVESTORS AND ANALYSTS

Rome (Italy)*, 07 September 2026* - Following the announcement of 2 September 2026, and in response to the significant interest received from investors and analysts in recent days, Lottomatica Group S.p.A. (the Company) is providing additional information and supporting materials on the Spanish and Rest of World ("RoW") markets.

The Company also sees a tangible opportunity to leverage Lottomatica's technology, product capabilities and proven omnichannel expertise, together with Cirsa's footprint, customer base and local presence in high growth markets, to drive meaningful growth in the Combined Company's online business.

Against this backdrop, the Company estimates an incremental Online EBITDA, run rate by the third year from closing, in the range of approximately Euro 200 million to Euro 300 million. This amount is not included in the synergies announced as part of the transaction.

Forward-Looking Statements

This communication contains forward-looking statements regarding Lottomatica, Cirsa and the Combined Group. Such statements are not historical facts and are subject to risks and uncertainties, many of which are beyond the parties' control, that could cause actual results to differ materially. Except as required by law, none of the parties undertakes any obligation to update any forward-looking statement.

Forward-looking statements are generally identified by the words "expects," "anticipates," "believes," "intends," "estimates" and similar expressions. Although the managements of Lottomatica and Cirsa believe that the respective expectations reflected in such forward-looking statements are reasonable, investors and holders of Lottomatica and Cirsa shares are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of Lottomatica and Cirsa, respectively, that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements.

This document includes estimates relating to the synergies expected to arise from the merger and the combination of the business operations of Lottomatica and Cirsa, as well as related integration costs, which have been prepared by Lottomatica and Cirsa and are based on a number of assumptions and judgments. Such estimates present the expected future impact of the merger and the business operations of Lottomatica and Cirsa on Lottomatica's business, financial condition and results of operations. The assumptions relating to the estimated synergies and related integration costs are inherently uncertain and are subject to a wide variety of significant business, economic, and competitive risks and uncertainties that could cause the actual synergies from the merger of Lottomatica and Cirsa, if any, and related integration costs to differ materially from the estimates in *this document. Further, there can be no certainty that the merger will be completed in the manner and timeframe described in this document, or at all.*
