This communication is directed only at persons who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the “**Financial Promotion Order**”), (ii) are persons falling within Article 49(2)(a) to (d) (“high net worth

companies, unincorporated associations, etc.”) of the Financial Promotion Order, (iii) are persons who are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) in connection with the issue or sale of any Notes may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “**relevant persons**”).

Any investment activity to which this communication relates will only be available to, and will only be engaged in with, relevant persons. Any person who is not a relevant person should not act or rely on this document or any of its contents.

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”) or in the United Kingdom (the “**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended or superseded), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a “qualified investor” as defined in Regulation (EU) 2017/1129 (as amended, the “**Prospectus Regulation**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK will be prepared. Therefore, offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation. Any offer of Notes in any Member State of the EEA or in the UK will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of Notes.

MiFID II professionals/ECPs-only – Manufacturer target market (MiFID II product governance) is eligible counterparties (“**ECPs**”) and professional clients only each as defined under MiFID II (all distribution channels).

In connection with this offering of the Floating Rate Notes, Deutsche Bank Aktiengesellschaft (the “**Floating Rate Notes Stabilizing Manager**”) and, in connection with this offering of the Fixed Rate Notes, Barclays Bank plc (the “**Fixed Rate Notes Stabilizing Manger**,” together with the Floating Rate Notes Stabilizing Manager, the “**Stabilizing Managers**”) (or affiliates acting on behalf of the Stabilizing Managers) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilizing Managers (or affiliates acting on behalf of the Stabilizing Managers) will undertake stabilizing action.

The Stabilizing Managers may engage in over-allotment, stabilizing transactions, covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the Offering

size, which creates a short position for the relevant Initial Purchaser. Stabilizing transactions permit bidders to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. Covering transactions involve purchases of the Notes in the open market after the distribution has been completed in order to cover short positions. Penalty bids permit the Stabilizing Managers to reclaim a selling concession from a broker or dealer when the Notes originally sold by that broker or dealer are purchased in a stabilizing or covering transaction to cover short positions. These activities may stabilize or maintain the respective market price of the Notes above market levels that may otherwise prevail. The Stabilizing Managers are not required to engage in these activities, and may end these activities at any time. Accordingly, no assurance can be given as to the liquidity of, or trading markets for, the Notes.

These stabilizing transactions, covering transactions and penalty bids may cause the price of the Notes to be higher than it would otherwise be in the absence of these transactions. These transactions may begin on or after the date on which adequate public disclosure of the terms of the Offering is made and, if commenced, may be discontinued at any time at the sole discretion of the Stabilizing Managers. If these activities are commenced, they must end no later than the earlier of 30 days after the date of issuance of the Notes and 60 days after the date of the allotment of the Notes. These transactions may be effected in the over-the-counter market or otherwise.
