

WHAT KIND OF PLAYER ARE YOU?

Answer the questions and evaluate your approach to gambling

IN THE LAST TWELVE MONTHS HOW OFTEN HAVE YOU... NEVER SOMETIMES OFTEN ALMOST ALWAYS

Gambled more than you could afford to lose? 0 1 2 3

Needed to gamble more to feel any excitement? 0 1 2 3

Returned to gambling with the idea of getting back the money you have lost in order to "get back on your feet"? 0 1 2 3

Asked for a loan or sold something to have money to gamble with? 0 1 2 3

Had the sensation of having a gambling problem? 0 1 2 3

Been accused by someone of having a gambling problem, whether you consider it true or not? 0 1 2 3

Thought that gambling has caused you economic problems or has caused them to your family finances? 0 1 2 3

Felt guilt for your way of gambling or for what happens when you gamble? 0 1 2 3

Add all the scores: if you scored 0 there is no problem; between 1 and 2 your risk profile is low; between 3 and 7 there is a moderate risk; with more than 7 there is a high risk.
